Comunidades Unidas Pro Salud (C.U.P.S.) is a Christian, ecumenical non-profit (501-C3) organization that seeks to facilitate healthy border communities. Our early mission work was to improve the quality of life in border Mexico along the Texas-Mexico border through community based health and education projects. *Since 2010 our work relies upon support from U.S. volunteers as well as Mexican volunteers because work group participation diminished due to concerns about ongoing violence associated with drug cartels in Mexico. We are blessed that in spite of these problems, CUPS continues our mission work supporting Mexican communities, their schools and the handicapped.* CUPS also works with other nonprofit organizations located in Hidalgo County, Texas helping to make PETs, mobility carts for use in Mexico, as well as colonia based efforts to enrich the lives of families and children through program activities.. C.U.P.S. provides a rich cross-cultural exchange that blesses all involved.

To further our mission, the Board of Directors of C.U.P.S. developed the 300 Club in 2002. We continue to ask for commitments from at least 200 people to contribute \$25 per month for an annual total of \$300. Response to this effort has been very good. Your participation provides an opportunity for you to collaborate with C.U.P.S. and the border communities that we serve. Please consider pledging today.
