Communities United for Health

Our Promise

We promise to honor your generosity and use your donation in the most effective way possible. The needs shown in this catalog reflect CUPS projects and known needs at the time of writing and the suggested donation amounts are based on periodic surveys of costs in both Mexico and the Rio Grande Valley. Your gift will bring urgent help and lasting hope to the people in Mexico.

Construction Projects

CUPS has maintained its ability to perform construction projects without the support of mission teams from the U.S. Our current approach is 1) to work with the community or school to define the project requirements, 2) lead the planning of the project, 3) provide all the construction materials and tools for individuals from the community to perform the construction, and 4) provide supervision of the construction.

Who we are

CUPS is a Christian organization founded in 1989 to improve the quality of life in rural communities along the Mexico – U.S. border. This includes support for education and health in Mexican communities where CUPS has worked for over 24 years. Recently CUPS has worked with local non-profit organizations based on the U.S. side of the border in Hidalgo County. CUPS continues its commitment to our neighbors in Mexico and the Rio Grande Valley in spite of the ongoing instability in the region by offering volunteer opportunities on both sides of the border including the distribution of donated gifts like those in our Christmas catalog.
