It's Time for School Supply Donations!

SCHOOL SUPPLY DONATIONS

Every summer as the start of the school year approaches, CUPS supplies pencils, papers, crayons, backpacks, notebooks, scissors, staplers, and many other much needed supplies to Kindergartens, Primary Schools, and some secondary schools. See details at [Educational Supply Needs](#)

CUPS assists schools in setting up computer classrooms so students can acquire computer literacy. Many students do not have access to computers in their homes, so being taught computer skills in school is crucial. CUPS seeks donations of used computers in good working condition to help meet this need. See details at [Computers for Schools](#).
