CUPS Board Meeting - Aug.25 at First Presbyterian Church Sugarland

TBC 022 Project Report

After a long delay due to the COVID pandemic, the remodeling of TBC-022 is finally progressing. With funds from the Johnnie Webb foundation and donations from many of you, the school has purchased a van for student transportation, and upgrades to windows, toilets, furniture, painting, etc. are underway. Whiteboards are being supplied to replace older and worn out chalkboards.

Upgrades and repairs to the electrical system and installation of air conditioning will begin soon.

A key part of the project is outfitting a computer lab room. This work is underway, and recently 13 computers were delivered to school principal Marco Gonzalez. Many of these computers were donated by Tom Adams of Austin, and all have had Spanish language software installed.

It's Time for School Supply Donations!

SCHOOL SUPPLY DONATIONS

Every summer as the start of the school year approaches, CUPS supplies pencils, papers, crayons, backpacks, notebooks, scissors, staplers, and many other much needed supplies to Kindergartens, Primary Schools, and some secondary schools.

As always, donations of these types of school supplies are needed. If you can help with this, you will details of donation needs, and contracts for arranging delivery of the donations to CUPS, on the CUPS web site (www.cupsmission.org). Links to the donations pages can be found near the top of this newsletter.
